

CULTURED STONE™

THE NAME THAT BUILT AN INDUSTRY™

EXCELLENCE FROM TRADITION.

# LEGACY FROM INNOVATION.

For more than half a century, Cultured Stone has produced premium manufactured stone veneer, created by the finest master craftsman. As we embrace the strong practices of excellence and artistry that define our heritage, we look ahead to create solutions that offer greater flexibility in design, meeting the design needs of today, and tomorrow.

Eleanor Roosevelt once said, "The future belongs to those who believe in the beauty of their dreams." We believe in offering products that help you achieve your dreams, beautifully.

You are not just a building professional, and these are not just products. You are a visionary, and these are the tools with which you are able to shape your future. Bring incomparable design to reality through the finest manufactured stone veneer available in the industry. The past has shaped us, but the future is ours to define.

## A FIRST IMPRESSION SET IN STONE.

Remember how you felt the first time you walked into your dream home? That excitement and pride never goes away when you enhance the exterior of your home with our Cultured Stone veneers. Whether pulling into your driveway or catching a parting glimpse in the rearview mirror, the character and charm of a Cultured Stone exterior makes a bold and lasting impression. Realtors call it "curb appeal." You'll call it utter perfection.

# CELEBRATING

## THE SPACES IN BETWEEN.

While our gorgeous Cultured Stone veneers tend to be the center of attention, it's often the grouting styles in between that can really make a difference. Creating the right mortar joint for a project is a matter of choosing not only the perfect color, but also the right width—a choice that naturally affects the total square footage. And while a standard mortar joint is typically 1/2" in width, some stone textures allow for a dry stacked, tight-fitted joint to achieve a clean, tailored appearance.

# THE ART

OF RENEWAL

We strive to meet today's building needs without compromising the future. Cultured Stone veneers are designed to not only beautify spaces but also take care of our shared environment along the way. To that end, our closed-loop recycling system allows us to reuse water during manufacturing, which proves especially important in California's drought-prone environment.

Cultured Stone veneer products contain an average of 58% recycled content. Our commitment to thinking and building green has also led us to meet the indoor air quality standards of the GREENGUARD Environmental Institute and GREENGUARD Gold. In addition, Cultured Stone veneer is a NGBS Green Certified Product.

The GREENGUARD INDOOR AIR QUALITY CERTIFIED Mark is a registered certification mark used under license through the GREENGUARD Environmental Institute.

# FROM CHESTER TO NAPA.

(AND EVERYWHERE  
IN BETWEEN.)

While the heart of Cultured Stone operations can be found in Roswell, Georgia, the lungs that breathe life into our work can be found in our two plants. Strategic locations in Napa, California, and Chester, South Carolina, have allowed us to create one of the largest distribution footprints in the US and Canada and globally into Europe, Asia and Australia. For the builders who rely on easy access to our materials, this convenient presence provides an invaluable resource.

The skilled hands of our masters at both plants make it possible for Cultured Stone to offer quality stone products that are proudly made in America.

## WARRANTY

### LIMITED WARRANTY

Cultured Stone wall products carry a 50-year limited warranty\* when used on structures that conform to local building codes and when installed according to manufacturer's instructions.

Warranty is limited to replacement or repair of defective materials only and does not cover labor to remove and replace. Warranty does not cover damage resulting from building settlement, wall movement, contact with chemicals or paint, discoloration due to airborne contaminants, and staining or oxidation. Warranty is limited to the original purchaser. Complete warranty information is available on request.

## INSTALLATION

Cultured Stone veneer can be used on most structurally sound wall surfaces. It is light weight and quick adhesion allows for fast, easy installation without additional footings or wall ties. Each piece of Cultured Stone veneer is applied individually with Type N or Type S mortar and attaches permanently to the wall surface

BE SURE TO READ THE CULTURED STONE FULL DETAILED INSTALLATION INSTRUCTIONS. GET A COPY FROM YOUR CULTURED STONE® DEALER, AT [WWW.CULTUREDSTONE.COM](http://WWW.CULTUREDSTONE.COM) OR BY CALLING 1.800.255.1727.

## MAINTENANCE

Cultured Stone and Cultured Brick veneers are virtually maintenance-free. If required, lightly wash to remove dust or dirt. Do not sandblast or wash with acid, abrasives or hi-pressure water. Damaged or graffiti-marred stones can be removed and replaced with matching materials.

\*See actual warranty at [www.culturedstone.com](http://www.culturedstone.com). Overhead, horizontal or sloped applications are not included in our building code evaluation reports or acceptances. These applications often require special approval/inspections by local building inspectors. Contact your architect or engineer for assistance designing these installations.

## TECHNICAL DATA

Cultured Stone products are engineered to meet or exceed the specifications set by building code officials.

**Unit Weight** is approximately 8-12 lb/ft<sup>2</sup> (39-58 kg/m<sup>2</sup>) but not more than 15 lb/ft<sup>2</sup> (72 kg/m<sup>2</sup>)

**Thickness** 1 3/4" average. May vary depending on choice of texture.

**Colorfast** Colors become an integral part of the stone during casting. Existing applications show no undesirable change in color after years of weathering.

**Noncombustible/Surface Burning Characteristics** UL tested and listed. Cultured Stone products tested out with zero flame spread, zero smoke development.

**Technical Support** Complete copies of Cultured Stone research reports, approvals, tests, listings or acceptances conducted by independent testing agencies are available on request. Cultured Stone products meet or exceed all ICC-ES Acceptance Criteria #51, requirements for pre-case stone veneer.

Other manufacturers who claim to produce equivalent products should be asked to provide documentation of claims.

# WE ARE CULTURED STONE

Born from great partnerships, Cultured Stone is a family affair. Rooted in our commitment to quality, a long-standing history of working closely with distributing partners, developing new products, textures and colors together - from the Southeast to the Pacific Northwest, we are Cultured Stone.

 CULTURED STONE™

# ORIGINALITY

NEVER GOES OUT OF STYLE.

From cast to model, the entire Cultured Stone veneer production process is very much hands-on—down to the trademark CSV® (Cultured Stone Veneer) stamp that has been hand-applied since 1962, to each and every stone we craft. Only genuine Cultured Stone products have a CSV® indicia embossed on the edge, guaranteeing that you're getting the original, proven and preferred brand. After all, a master's touch is all in the detail.
